**ADMINISTRATIVE LAW JUDGE'S RULING
GRANTING THE SAN DIEGO REGIONAL ENERGY OFFICE
MOTION TO INTERVENE**

Summary

On April 30, 2003, a motion was filed pursuant to Rule 45 of the Commission's Rules of Practice and Procedure by the San Diego Regional Energy Office (SDREO) to intervene in the above-captioned proceedings. Although SDREO did not participate in the first two Prehearing Conferences, nor did it file a protest to the application, it asserts that it will be directly and substantially affected by any Commission's decision affecting San Diego Gas & Electric Company's rates. SDREO does not seek any delay in the schedule adopted in the

Assigned Commissioner's Scoping Memo. SDREO does not specifically indicate that it intends to actively participate in the proceeding. Parties who are granted Interested Party status but do not actively participate are subject to being switched to Information Only status.

Additions to the Service List

SDREO seeks to have Irene M. Stillings (Stillings), Executive Director, and Kurt J. Kammerer (Kammerer), Director of Strategic Planning and Regulatory Affairs for SDREO, added to the service list. Consistent with the intended practice to limit parties in these proceedings to one representative, Stillings may represent SDREO as an Interested Party. In addition, Kammerer shall be added to the Information Only portion of the service list. Good cause appearing,

IT IS RULED that:

1. The request of the San Diego Regional Energy Office to intervene as an interested party in this proceeding is granted.
2. Parties will not be served a hard copy of this ruling under the electronic service protocols adopted for this proceeding.

Dated July 8, 2003, at San Francisco, California.
